

**HOW TO ORDER BOOKS
AND USE FINANCIAL AID AS
A PAYMENT OPTION:**

It's easy! Follow these six easy steps to place your order...

- From any computer, visit the online bookstore at www.mercyohbooks.com or you can choose the “textbook orders” link on the Mercy College web site (www.mercycollege.edu).
- For 1st time users, create your personal user name and password by clicking on MY ACCOUNT.
- Enter your shipping/billing address. Your billing and shipping address should be the same. However, you will not receive a bill for the books.
- Proceed to ordering books (courses are listed alphabetically).
- Under payment options, choose FINANCIAL AID and enter your name in the financial aid field AND type what term the books are for (ex: Fall).
- Click on PLACE ORDER. Your order is then transmitted to the financial aid office for verification. You will receive an email confirmation immediately, and you will receive another confirmation with tracking information once the order has shipped.
- If you have any questions about ordering your books, please call Shannon at Matthews Medical Books at 1-800-633-2665.
